Profile Summary

Final-year Software Engineering student focused on backend development, APIs, and system design. Experienced in Java and building scalable web-based applications with real-world deployments.

Education

BSc Computer Science (Software Engineering) Universiti Malaysia Terengganu (UMT) Dean's List (Sem 3, 4, 5)	2023 – Present
Senior Secondary School Certificate (WAEC) First Grade Comprehensive School, Kano, Nigeria	2015 – 2021

Projects

PSM E-Learning Management System (Final Year Project) Java (JSP/Servlets), MySQL, JavaScript, Bootstrap, Paystack - Developed full-stack LMS with role-based access and structured learning modules - Implemented assessments, progress tracking, and Paystack payment integration	Code
IoT-Based Environmental Monitoring System MicroPython, MQTT, Raspberry Pi Pico W, ThingSpeak - Built and deployed real-time monitoring system with live dashboard - Implemented MQTT-based device-to-cloud communication	Live
PKU Management System Java, MySQL, JSP/Servlets - Developed hospital system for managing patients, appointments, billing, and staff - Implemented role-based access and optimized database operations	Code
Masakjerr System Java, Spring Boot, MySQL - Built full-stack CRUD application for managing recipes and users - Designed backend services and relational database structure	Code
WeatherHub JavaScript, REST APIs, Firebase Hosting - Integrated APIs to deliver real-time weather data - Deployed responsive web application using Firebase Hosting	Live

Technical Skills

Programming: Java, JavaScript, Python, MicroPython
Backend & Web: Spring Boot, JSP/Servlets, REST APIs, HTML, CSS
Database: MySQL (SQL, ERD)
IoT: MQTT, Raspberry Pi Pico W, ThingSpeak
Tools: Git, Firebase Hosting
Testing: JUnit, Selenium

Leadership & Development

Treasurer, Nigerian Muslim Community • Manage financial records and support community operations	2025 – Present
Certifications: ASPIRE (2025), IFuture (2025), International Autumn School (2025), VCLEP (2023), Water Survival Programme (2025)	

Languages

English (Fluent), Hausa (Native), Malay (Conversational), Arabic (Conversational)

Referees

Prof. Ts. Dr. Muhammad Suzuri Hitam (Dean, FSKM, UMT) +60199803489, suzuri@umt.edu.my	Assoc. Prof. Ts. Dr. Rosmayati Mohemad (Deputy Dean, FSKM, UMT) +60199870602, rosmayati@umt.edu.my
